

TED演讲者: Christina Wallace | 克里斯提娜·华莱士

演讲标题: How to stop swiping and find your person on dating apps | 如何停止在约会软件上滑屏搜寻, 找到真正的白马王子

内容概要: Let's face it, online dating can suck. So many potential people, so much time wasted - is it even worth it? Podcaster and entrepreneur Christina Wallace thinks so, if you do it right. In a funny, practical talk, Wallace shares how she used her MBA skill set to invent a "zero date" approach and get off swipe-based apps -- and how you can, too.

让我们面对这个事实吧, 网上约会有时很糟糕。太多的潜在对象, 太多的时间被浪费掉——这样做值得吗? 如果你有同感, 播客主/企业家克里斯提娜·华莱士 (Christina Wallace) 也这样认为。在这个有趣而实用的演讲里, 华莱士分享了她如何使用MBA技能发明出了一个“零约会”方法, 而不再使用基于滑动的手机应用——以及如何做到这些。

锡育软件

I first tried online dating my freshman year of college, which was in 2001, in case you can't see my **wrinkle**.

大学一年级时, 我第一次尝试网上约会, 那是在2001年, 我承认这么说有些暴露年龄。[00:12]

Now, as you may have noticed, I'm six-foot tall, and when I arrived at my chosen university and realized our men's Division III basketball team **averaged** five-foot-eight, I **abandoned** the on-campus scene and went online.

你可能已注意到 我的身高有一米八, 当我进入大学校园时, 就意识到校男子篮球队 (第三区) 队员的平均身高也才一米七多点儿,[00:20]

所以就当机立断放弃校园约会, 而选择了网上约会。[00:28]

Now, back then, online dating was pretty close to the plot of "You've Got Mail."

那会儿的网上约会,像极了电影《电子情书》里的情节。[00:32]

You'd write long emails **back and forth** for weeks, before you finally met up in real life.

你会连续好几周 写很多很长的邮件, 才最终决定约出来见面。[00:36]

Except, in my case, you'd realize you have no chemistry and so now, you're **back to square one**.

除了在我的例子里, 意识到俩人根本不来电后, 一切又回到原点。[00:41]

So, while online dating has changed a lot in the last 17 years, many of the **frustrations** remain the same.

虽然过去17年里 网上约会已经改变了很多, 但其中很多问题依然存在。[00:46]

Because here's what it does well.

以下是网约软件做得好的地方:[00:53]

It **broadens** your pool of potential dates beyond your existing social and professional circles.

它超越你现有的社交和工作圈, 拓宽了潜在约会对象群:[00:55]

**wrinkle**: n.皱纹/vi.起皱/vt.使起皱纹 **averaged**: v.平均(average的过去式)/adj.平均的 **abandoned**: adj.被抛弃的;无约束的;/v.抛弃(abandon的过去式和过去分词) **back and forth**: 反复地,来回地 **back to square one**: 从头再来;退回起点 **frustrations**: n.挫折 **broadens**: vi.扩大,变阔;变宽,加宽/vt.使扩大;使变宽

And here's what it doesn't do well.

这是它做的不好的地方:[01:01]

Literally everything else.

除了以上那条之外的所有方面。[01:03]

(Laughter) A few things you should know about me: I'm an **action-oriented overachieving** math and theater **nerd**, who ended up with an MBA.

(笑声) 我先做个自我介绍: 我是一个行动派, 数学超好,而且是个戏剧迷。 还有一个工商管理硕士学位。[01:06]

So, when things aren't working out, I tend to take a **step back**, apply my business **toolkit** to figure out why, and to fix it.

所以当事情发展不顺时, 我一般会选择以退为进, 运用我的商业技能工具 找出问题并解决它。[01:14]

My love life was no exception.

我的感情生活也不例外。[01:21]

The summer before I turned 30, I took myself on a relationship **off-site**.

在我即将30岁那一个夏天, 我给自己的感情生活放了个假,[01:24]

Which means I went **camping solo** in **Maine** for a week, to do a **retro** on my **track record** of **mediocre** relationships.

去缅因州独自露营了一周, 回顾了自己平凡的感情经历。[01:28]

Because the thing was, I knew what I wanted in a partner.

事实是,我很清楚 自己想要什么样的伴侣。[01:35]

**action-oriented**: 行动导向 **overachieving**: vi.完成得比预期要好/vt.做得比预期的更好 **nerd**: n.呆子;讨厌的人 **step back**: 后退;退后;无意义 **toolkit**: n.工具包,工具箱 **off-site**: n.工地外;厂区外 **camping**: n.露营;野营/v.露营;扎营;临时安顿(camp的ing形式) **solo**: n.独奏;独唱;独奏曲/adj.独奏的;独唱的;单独的/vt.单人攀登;单独驾/vi.单独表演;放单飞/adv.单独地 **Maine**: n. 缅因州(美国州名) **retro**: n.制动火箭,减速火箭;(服装式样等)重新流行/adj.复古的,(服装式样等)重新流行的 **track record**: n. 径赛成绩记录;过去的成绩或成就 **mediocre**: adj.普通的;平凡的;中等的

Kindness, curiosity, **empathy**, a sense of purpose.

善良、有好奇心、同理心, 还要心怀大志。[01:37]

And yet, here's what I chose for online: Ivy League degree, six feet or **taller**, lives within 12 subway stops of me.

但是,我在网上写的 要求却是这样的: 常青藤大学毕业、身高一米八或以上, 与我居住的地方 距离不超过12个地铁站。[01:42]

It's not that I **intentionally prioritized** those things, it's just the easiest to vet for online.

我不是故意要 把那些东西摆在首位, 而是这样的描述在网上最容易筛查。[01:51]

which is why these guys looked great **on paper** and never quite fit me.

这就是为什么这些男人 把自己写得那么棒, 却始终不适合我。[01:58]

So when I went back online in the spring of 2016, I decided

所以2016年春季, 我再次回归网上约会时, 我决定

to reengineer the process through some classic business tools.	用经典的商业手段 来调整我的作战策略。 [02:03]
First, I went to OkCupid, because I wanted to avoid the gamification of swipe-based apps.	首先我登陆了OkCupid, 因为我不想再用那些像游戏一样、需要不停滑动手机屏幕的软件。 [02:10]
And also, because I wanted a writing sample.	而且还因为,我想要一份写作样本。 [02:15]
Next, I set up a sales <b>funnel</b> , throwing out any sense of my type, and instead <b>defining</b> the <b>criteria</b> that would qualify a lead.	接着我建立了一个销售漏斗模型, 列出了我想要的方方面面, 并且直接提供了符合要求的参考标准。 [02:18]
<b>empathy:</b> n. 神入; 移情作用; 执着 <b>taller:</b> adj. 更高的; 高一点的 <b>intentionally:</b> adv. 故意地, 有意地 <b>prioritized:</b> v. 优先化 (prioritize 的过去分词) <b>on paper:</b> 以书面形式; 在名义上 <b>funnel:</b> n. 漏斗; 烟囱/vt. 通过漏斗或烟囱等; 使成漏斗形/vi. 通过漏斗等; 成漏斗形 <b>defining:</b> adj. 最典型的; 起决定性作用的/v. 规定 (define 的ing形式); 给... 下定义; 表明特征 <b>criteria:</b> n. 标准, 条件 (criterion 的复数)	
An <b>inbound</b> message had to do three things: had to be written in complete sentences and with good grammar; it had to reference something in my profile, so I know it's not a copy-and-paste situation; and it had to avoid all sexual content.	给我私信可以, 但要做到三件事: 句子完整而语法无误, 还须提到我的 个人简介里的一些内容, 以此证明这不是复制粘贴, 并且还不能出现色情内容。 [02:27]
I figured this was a pretty low bar, but it turns out, of my 210 inbound messages, only 14 percent cleared that <b>hurdle</b> .	我想这门槛已经很低了吧, 但事实证明, 在收到的 210 条私信里, 只有 14% 的人全部符合要求。 [02:39]
(Laughter) Next, I wanted to meet in real life as quickly as possible, because the things I cared about, I couldn't see online.	(笑声) 接下来, 我要在 现实生活中尽快见到他们, 因为网上看不出他们是否 具备我所在意的那些品质。 [02:46]
But the research, and my experience, shows you only need about 30 seconds with someone to tell if you click.	但根据研究以及自身经验得出, 你跟某人在一起只需要 30 秒, 就能确定彼此来不来电。 [02:54]
So I invented the zero date.	所以我发明了 “零次约会”。 [03:00]
The zero date is one drink, one hour.	意思就是: 一杯饮料、一个小时。 [03:03]
With the goal of answering one question: Would I like to <b>have dinner</b> with this person?	目的就是为了回答一个问题: “我想和这个人共进晚餐吗?” [03:05]
Not "are they the one"?	而非 “他们是我要找的人吗?” [03:10]
Literally, "Would I like to spend three hours across the table from this person?"	真的只是, “我想和他在餐桌旁 呆三小时吗?” [03:12]
<b>inbound:</b> adj. 入境的; 归本国的; 国内地的/n. 入站 <b>hurdle:</b> n. 障碍; 栏; 跳栏/vt. 克服/vi. 克服; 跳过 <b>to have dinner:</b> 吃晚饭	
You tell them you have a hard stop -- drinks with girlfriends, a <b>conference</b> call with China -- it doesn't matter, they don't know you.	要提前说好, 时间一到 就要立即停止—— 说约了别的女性的朋友也好, 与中国那边有个视像会议也罢—— 这些都不重要, 他们根本无从考证。 [03:17]
The point is one hour.	关键是这一小时。 [03:24]
If it's <b>awesome</b> , you schedule a first date.	如果感觉很棒的话, 那就计划第一次约会; [03:26]
And if it's not awesome, you <b>downshift</b> into <b>entertainer</b> mode and you workshop a few new stories for your next <b>networking</b> event.	如果感觉不好的话, 那就权且当作娱乐, 为下次网约添几个新段子而已。 [03:28]
Plus, because it's just an hour, you can <b>squeeze</b> up to three in one evening and then you only have to do your hair and <b>pick out</b> one great outfit a week.	另外, 因为仅仅只有一个小时, 所以你一晚上可以约三个人, 唯一要做的就是弄好发型, 然后选一套一周里最好看的衣服。 [03:35]
The zero date also gave me a chance to see how they <b>responded</b> to me asking them out.	零次约会还能让我看到 对方面对我的邀约 会作何反应。 [03:43]
I figured not everyone would dig my <b>moxie</b> , and I was right.	我猜想, 不会每个人都吃我这一套, 而事实证明我猜对了。 [03:47]
Of my 29 qualified leads, only 15 replied to my message, and of those, six scheduled a zero date.	在精心挑选的 29 个人里, 只有 15 个人回了我的短信, 而在这 15 个人里, 只有 6 人和我进行了 “零次约会”。 [03:51]
<b>conference:</b> n. 会议; 讨论; 协商; 联盟; (正式) 讨论会; [工会, 工党用语] (每年的) 大会/vi. 举行或参加 (系列) 会议 <b>awesome:</b> adj. 令人敬畏的; 使人畏惧的; 可怕的; 极好的 <b>downshift:</b> vi. 调低速档; 工作降格/n. 换低速档/vt. 使... 调低速档; 使工作降格 <b>entertainer:</b> n. 演艺人员, 表演者 <b>networking:</b> n. 计算机网络的设计; 一种互助性的网络体系/v. 交流 (network 的ing形式); 联络 <b>squeeze:</b> vt. 挤; 紧握; 勒索/vi. 压榨/n. 压榨; 紧握; 拥挤; 佣金 <b>pick out:</b> 挑选出 <b>responded:</b> v. 回答, 回报; 反应 (respond 的过去分词) <b>moxie:</b> n. 精力; 勇气	
My first zero date was with a set designer.	我第一次 “零次约会” 的对象 是一名布景设计师。 [03:58]
And we were both into <b>yoga</b> and <b>preferred</b> our <b>bagels</b> with peanut butter, so it looked pretty promising.	我们都喜欢练瑜伽, 都喜欢吃花生酱味的百吉饼, 所以这一切看起来都挺有希望的。 [04:00]
But two minutes in, I could tell it wasn't going to be a thing and I was relieved not to be spending dinner with him.	但两分钟之后我感觉没什么戏了, 不用跟他吃晚餐, 让我松了一口气。 [04:04]
After that, I was a little nervous about going to my next zero	之后我对第二次的 “零次约会” 有些紧张。
